## PROFILE

Product Designer with almost 3 years of experience in UX and a huge background in graphic and audiovisual design.

I love to work with different roles in UX and other tech professionals.

I'm always learning new things with my favourite music in background.

## EDUCATION

○ 2021 - PRESENT

**Universidad Tecnológica Nacional**

Diplomatura en Accesibilidad y Usabilidad

○ 2013 - 2019

**Universidad de Buenos Aires**

Diseñador de Imagen y Sonido

## COURSES

○ 2022

**Comfy Languages**

IT roadmap B1, English.

○ 2018 - 2020

**Coder House**

UX/UI course

UX Writing course

Web development course

Programming course

## EXPERIENCE

○ 03/2021 - PRESENT

**Product Designer at Banco Galicia**

I'm Product Designer in Galicia's design team.

I'm responsible of all the user's benefits, from promotions webs to Quiero! fidelity program.

○ 06/2021 - PRESENT

**UX/UI Professor at Coder House**

I love to teach and help new designers!

I'm teaching UX/UI online course for 60 students.

○ 08/2020 - 03/2021

**UX/UI Designer at BP4**

I worked in a software factory as a UX/UI Designer.

I design dashboards for web apps and hybrid mobile apps, from the research in the beginning of the project to the end, delivering high fidelity prototypes.

○ 02/2020 - PRESENT

**Product Designer en GorillaSite**

Nowadays, i'm a consultant in Gorillasite to improve and design our own product, a headless CMS.

Also, I work in freelance projects, UX/UI web apps and web pages's redesign.
